

Help High Country Brass, Just By Shopping Your Favorite Retailers Online!

Shopping online is one of the easiest ways to get your holiday shopping done. It's also one of the easiest ways to donate to High Country Brass, for free!

HCB has partnered with **GoodSearch**, a Yahoo! company. When you search online using goodsearch.com and select High Country Brass as your charity, we get paid for every search you do.

GoodSearch also has a program called **GoodShop**, which donates up to 37% of purchases at hundreds of retailers. You go through the GoodShop website, then shop online like normal, and we get a donation. It's that easy!

The companies listed here are *only a sample* of all the companies that give us a donation through GoodShop. And this is good year-round, not just for the holidays. Also, if you purchase online for work, you can shop at retailers like Office Max, Office Depot, Staples, and Dell.

Just do the shopping you are going to do anyway through GoodSearch. The websites, prices, and products are exactly the same, only a portion goes toward a donation for HCB!

When you shop stores like these online through GoodShop, HCB gets a donation!
